Dr. Bradley L. Coley

Dear Brad:

Many thanks for your kind note of May 26 which I have shared with Clover. I know that you knew when I called you some weeks ago that the chances were very slim. I appreciate all your advice and help.

I believe that we did have the best attention that the country could afford and I was grateful to Memorial and the other outside institutions which pitched in and gave full help and cooperation.

Clover joins me in messages to Phyllis and to you and, again, thanks.

Sincerely,
